Definitions

Company/Organization – One or more facilities within New Jersey regardless of location. Please note that only companies and/or facilities are eligible to receive the Governor's Award and the Commissioner of Labor Award. In order to participate, the individual company's registration must be paid in full before June 15, 2004, and submit all statistics for the appropriate award.

Facility – One or more departments within New Jersey regardless of location. In order to participate, the individual facility's registration must be paid in full before June 15, 2004, and submit all statistics for the appropriate award.

Governor's Award Track/Department – Open to companies or facilities (public or private), and individual departments within companies or facilities. Enrolling in this track will, in a matter of four years without lost time, result in your company, facility, or department being awarded the states highest safety award. Continued safety excellence will result in your being awarded the Governor's Continued Excellence Award, provided that all necessary fees are paid by June 15, 2004. In order to receive these high level awards, companies, facilities or departments must have successfully earned the Departmental Group or Recognition Award, the Citation of Merit Award, the Division of Public Safety and Occupational Safety and Health Award, and the Commissioner of Labor Award.

Non-Governor's Award Track/Department – Open to companies or facilities (public or private), and individual departments within companies or facilities. Enrolling in this track will, in a matter of two years without lost time, result in your company, facility, or department being awarded the Division of Public Safety and Occupational Safety and Health Award, provided that all necessary fees are paid by June 15, 2004. In order to receive this award, companies, facilities or departments must have successfully earned the Departmental Group Award or Recognition Award, and the Citation of Merit Award.

Program Requirements

Participants may enter under the Governor's Award Track or the Non-Governor's Award Track. All monies must be paid in full by June 15, 2004. See definitions for complete explanation.

Only injuries and illnesses resulting in a lost-time injury will be counted in determining the performance of a participant. OSHA record-keeping standards will be the basis for reporting.

Entry forms and program information will be mailed to participants before the end of the reporting year, and must be submitted with registration fee by March 1, 2004, to ensure that awards will be available at the area dinners.

The Awards Committee will supervise all details and shall reserve the right, when a participant becomes eligible for an award, to evaluate the participant's occupational safety and health program and statistics.

DATED MATERIAL —
REPLY REQUESTED FOR MARCH 1, 2004 DEADLINE

LABOR
nj.gov/labor

James E. McGreevey, Governor
State of New Jersey

Albert G. Kroll, Commissioner
New Jersey Department of Labor

Albert Figuccio, Chairman
New Jersey State Industrial Safety Committee

William Margaretta, President
New Jersey State Safety Council

You
are cordially
invited . . .

to participate in the Governor’s Annual Occupational Safety and Health Awards Program for achievement in the prevention of workplace injury and illness. The program is open to both private and public employers.

WHY PARTICIPATE?

- To give recognition to individual employer locations and/or departments with outstanding performance in the prevention of workplace injuries and illnesses.
- To stimulate and maintain occupational safety and health awareness among employees and management.
- Participating employers may enroll employees in the New Jersey State Industrial Safety Committee safety & health training seminars.

Since its inception in 1927, this program has played an important role in promoting a safer and healthier workplace. It is open to all places of employment, public and private, regardless of size, and is sponsored by the New Jersey Department of Labor, the New Jersey State Industrial Safety Committee, and the New Jersey State Safety Council.

The Governor’s Annual Occupational Safety & Health Awards Program is open to both private and public employers.

Awards and Eligibility
Calendar Year Awards

The following awards are based on the calendar year January 1 to December 31, 2003, and are open to all private and public sector workplaces.

Departmental Group Award is awarded to a department within a facility or company for achieving a lost-time incidence rate of 3.0 or less.

Recognition Award is awarded to a facility or company for achieving a lost-time incidence rate of 3.0 or less for the calendar year.

Citation of Merit is awarded to a company, facility, or department for working throughout the calendar year without lost time from a work-related injury or illness.

Major Awards

Division of Public Safety & Occupational Safety & Health Award is awarded to a company, facility, or department for working two consecutive calendar years without lost time from a work-related injury or illness. The recipients must have previously received the Citation of Merit Award. This is the highest award a department may receive unless they were on the Governor’s Award Track the previous year.

Commissioner of Labor is awarded to a company, facility or department for working three consecutive calendar years without lost time from a work-related injury or illness. The recipients must have previously received the Division of Public Safety & Occupational Safety & Health Award and have been on the Governor’s Award Track for the previous two years.

Governor’s Award is awarded to a company, facility or department for working four consecutive calendar years without lost time from a work-related injury or illness. The recipients must have previously received the Commissioner of Labor Award and have been on the Governor’s Award Track for the previous three years.

Governor’s Continued Excellence Award is awarded to a company, facility or department for working five or more consecutive calendar years without lost time from a work-related injury or illness. The recipients must have previously received the Governor’s Award.

Entry Form

76th Annual Governor’s
Occupational Safety and Health Awards Program
Sponsored by the New Jersey Department of Labor,
the New Jersey State Industrial Safety Committee, and
the New Jersey State Safety Council
